Subject: Wal-Mart bank

The banking industry is getting more and more concentrated under the control of corporate giants and conglomerates. We do not need another bank period; but especially one run by a corporation with as bad a track record on the "common good as Wal-Mart has.

This bank of Wal-Mart is a bad idea. Please tell them "no."

Someone, somewhere, needs to tell these profligate giants :no." Could it be you? I hope so. Thanks. And, congratulations on your new position. Use it well!
